Description Of Work: Replaced complete siding on 2 story home & painted

Member Comments: The workers were diligent, working until dark every night, and even completed a day ahead of schedule. After completion, the workers & supervisor carefully went over the end result, pointing out a couple of areas that could use extra paint, or something quite minor & made it perfect. Their price was less than one other company that we received bid from. Even our next door neighbor commented on how hard and thoroughly they worked. Our home looks great!
