Approximate Cost: \$15,000.00

Home Build Year: 1950

Description Of Work: Removed all exterior siding, and demolished a partial brick facade on the front of the house. Installed insulation, Hardi-Wrap moisture barrier, and Hardi-Plank siding. They also installed two new posts to support the front porch roof and two new entry doors.

Member Comments: Wow! In a week our house went from UGLY to looking like a brand new house. These guys are good: they show up when they say they will and get the job done right...and for the best price. They will do whatever you ask them to. We recommend them to everyone considering new siding. We're happy, satisfied customers.
