Member Comments: The job went well, and I am quite pleased with the actual work, as well as the professionalism of the crew. The work was completed exactly when I needed it done, the entire job took 2-3 days and they were very accommodating. I was leaving the country as the work was being completed and I was ultimately very pleased with my experience with hardipros.

Share on Band of Neighbors: Yes

Company Response: Hey!! Thanks So MUCH! It was nice that we could work with your schedule and have a crew available. Angies List members are always good about communicating clearly their needs and expectations which makes it much easier to deliver our product and solution. We love Angies List Members!!!
